World Partnership Walk
Sunday, June 17th

For more than a decade, Choices has been supporting the World Partnership Walk. This national fundraising event aims to eradicate extreme poverty in developing nations, where thousands of people do not have access to clean water, basic education and health care. All of the funds raised through the Walk are invested in sustainable, long-term, community-led projects in the areas of health, education, civil society and rural development. It is a way to offer hope, a hand-up, know-how and support to some of the world's most vulnerable populations. Join the Choices team on Sunday, June 17th in Stanley Park. See more details at choicesmarkets.com.

From June 4-17, you can support the World Partnership Walk by donating a \$1.00 at our checkouts.
